UNCSA ATHLETIC TRAINING EMERGENCY ACTION PLAN
Stevens Center Performance Venue
405 West 4th Street, Winston-Salem, NC 27101

Licensed athletic trainer(s) are present at select performances in the Stevens Center. In the event of an emergency at the Stevens Center involving a University of North Carolina School of the Arts (UNCSA) student, the licensed athletic trainer(s) will initiate the following emergency action plan (EAP):

Emergency Responders: Licensed Athletic Trainers, Emergency Medical Service (EMS) personnel, UNCSA Campus Police, CPR/AED and First Aid trained UNCSA arts faculty, Stevens Center staff and Design & Production students

Communication: All EAP affiliates should have cellular telephones with the following numbers in the event of an emergency
1. 911 – Forsyth County Dispatch
2. (336)770-3362 – UNCSA Campus Police emergency number

Emergency Equipment and Locations

The licensed athletic trainer(s) will be responsible for ensuring that the following equipment is in their correct location(s), in working order, and fully stocked:

1. Airway adjuncts: CPR masks will be available for use either on the person of the athletic training staff or in the medical trunk which will be kept in the dance studio
2. Resuscitation Equipment: an Automated External Defibrillator (AED) will be available in the medical trunk
3. Vacuum Splints: One set of vacuum splints will be available on site in the dance studio
4. Transportation Devices: crutches will be available on site in the dance studio
5. Diagnostic Tools: a thermometer, stethoscope, BP wrist cuff, and penlight(s) will be available in the medical trunk
6. OSHA Supplies: standard OSHA blood borne pathogen protection devices will be available in the medical trunk
7. Lifesaving Medications: an epinephrine auto-injector will be available in the medical trunk

The Stevens Center staff will be responsible for ensuring that the following equipment is in their correct location(s), in working order, and fully stocked.

1. Communication Devices: cellular telephones will be used to communicate emergency situations. Additionally, telephones located downstage right, in the basement offices, and in the box office may be used in the event that cellular telephones become inoperable.
2. Resuscitation Equipment: an Automated External Defibrillator (AED) will be available on the wall in the coat room located on the 2nd floor (orchestra level lobby)
3. Transportation Devices: a wheelchair will be available in the coat room closet on the 2nd floor (orchestra level lobby)
4. OSHA Supplies: first aid kits will be available backstage as well as in the coat room on the 2nd floor (orchestra level lobby)
